Privacy Policy

The mobile application 'CulinarFest' (hereafter referred to as 'The Application') is owned and operated by the Platform AGORA Association, registered in Bulgaria, Sofia 1618, borough of Krasno Selo, block 195.

Your privacy is important to us. It is the policy of CulinarFest to respect your privacy and comply with any applicable law.

This policy is effective as of 20 August 2021 and was last updated on 20 August 2021.

The mobile application CulinarFest does NOT collect, store, process or share with third parties any personal information that is knowingly and actively provided to us in the course of accessing and using the Application. This owes to the fact that you do not need to create an account, subscribe or log in order to see the content and features of the application. Neither does the application facilitate disclosure of users' geographical location, participation in contests and promotions or the possibility for users to share content.

Similarly, any log or device data that might become available to us while you download and use the Application, will NOT be recorded, stored, processed, analysed or shared.

The Application will NOT display advertisements of third parties, thereafter your device data will not become available to advertisers. The Application does NOT place tracking technologies, such as cookies, web beacons, etc.

We do NOT aim the use of this Application directly at children under the age of 13, and we do not knowingly collect personal information about children under 13.

At our discretion, we may change this Privacy policy at any moment to reflect updates to the features and functionalities of our Application, our business processes, current acceptable practices, or legislative or regulatory changes. If we decide to do so, we will post the changes here at the same link by which you are accessing this Privacy policy and we will update the date of the last version of this document.

For any questions or concerns regarding your privacy, please contact us using the following email address:
